Correction to: Ketogenic diet for mitochondrial disease: a systematic review on efficacy and safety

Heidi Zweers^{1,2*}, Annemiek M. J. van Wegberg^{1,2†}, Mirian C. H. Janssen^{2,4} and Saskia B. Wortmann^{2,3}

Correction to: *Orphanet J Rare Dis* (2021) 16:295
<https://doi.org/10.1186/s13023-021-01927-w>

Following the publication of the original article [1], the authors requested to move the declaration “SBW has the ERA-PERMED2019-310 grant—Personalized Mitochondrial Medicine: Optimizing diagnostics and treatment for patients with mitochondrial diseases” from the ‘Competing interests’ section to the ‘Funding’ section of the article.

The ‘Funding’ section now states: “SBW has the ERA-PERMED2019-310 grant—Personalized Mitochondrial Medicine: Optimizing diagnostics and treatment for patients with mitochondrial diseases”.

The ‘Competing interests’ section now states: “The authors declare that they have no competing interests”.

The ‘Funding’ and ‘Competing interests’ sections have already been updated in the original article.

University, Salzburg, Austria. ⁴Department of Internal Medicine, Radboudumc, Nijmegen, The Netherlands.
